Print length : 16 pages

In a distant galaxy, a civilization flourishes on the Twelve Colonies of Kobol. But their idyllic existence is shattered when the Cylons, a relentless race of sentient machines, launch a devastating attack. Led by the enigmatic Commander William Adama, the survivors of the catastrophe embark on a perilous quest aboard the Battlestar Galactica, the last remaining warship of its kind.

As they navigate the vast expanse of space, the crew of the Galactica faces countless challenges. They must overcome the relentless pursuit of the Cylons, endure the hardships of living in space, and grapple with the moral dilemmas that arise in the aftermath of war. Through it all, they are guided by the unyielding hope of finding a new home - a place where humanity can rebuild and thrive.

Greg Pak, the acclaimed writer behind the popular comic book series "Planet Hulk" and "World War Hulk," masterfully adapts Ronald D. Moore's reimagined Battlestar Galactica universe into a gripping graphic novel. Pak's vivid storytelling and compelling character development bring the beloved characters and complex themes of the television series to life on the page.

Battlestar Galactica: The Graphic Novel Adaptation is a must-read for fans of the original series, as well as for anyone who enjoys thrilling science fiction that explores the depths of human nature. Pak's adaptation is a stunning graphic novel that stands as a testament to the enduring power of the Battlestar Galactica franchise.
