A Memoir by Betty Friends

From the moment I first stepped foot in the zoo, I knew I was meant to be there. The animals, the people, the atmosphere—it all felt like home. And for the past 30 years, I've been lucky enough to live my dream as a zookeeper.

In this memoir, I share my inspiring journey from a small-town girl to a world-renowned zookeeper. You'll laugh, you'll cry, and you'll learn a thing or two about the animal kingdom along the way.

Heartwarming Stories, Funny Anecdotes, and Fascinating Insights

My life at the zoo has been filled with its ups and downs, but it's always been an adventure. I've had the privilege of working with some of the most amazing animals on the planet, and I've learned so much about their behavior, their intelligence, and their importance to our ecosystem.

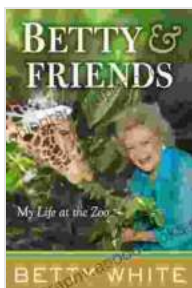

In this book, I share some of my most heartwarming stories, funny anecdotes, and fascinating insights into the animal kingdom. You'll learn about the time I helped rescue a baby elephant, the day I got chased by a hippopotamus, and the secrets of how to communicate with gorillas.

A Must-Read for Animal Lovers

If you love animals, then you'll love this book. It's a celebration of the beauty, the wonder, and the importance of the animal kingdom. And it's a tribute to the dedicated people who work tirelessly to protect and care for our wild neighbors.
