In the wake of the collapse of the Soviet Union, Russia underwent a profound political and economic transformation. The old communist system was dismantled, and a new era of capitalism was ushered in. However, this transition was far from smooth. The country was plagued by corruption, crime, and instability. In the midst of this chaos, a new class of oligarchs emerged, who amassed vast wealth and influence, often at the expense of the public good.

In her groundbreaking book, *Bloodless Revolution*, Alena Ledeneva offers a new perspective on Russia's post-Soviet transformation. Drawing on extensive research, she argues that the rise of corporate power has had a profound impact on the country's political and economic development. Ledeneva shows how the oligarchs have used their wealth and influence to shape government policy, control the media, and suppress dissent.

*Bloodless Revolution* is a must-read for anyone who wants to understand the rise of corporate power in Russia. Ledeneva's analysis is both insightful

and provocative, and she offers a unique perspective on one of the most important stories of our time.

## **Reviews**

"Bloodless Revolution is a brilliant analysis of the rise of corporate power in Russia. Ledeneva's research is meticulous, her writing is clear and concise, and her insights are profound. This book is a must-read for anyone who wants to understand the challenges facing Russia today."— **Anne Applebaum, Pulitzer Prize-winning author of Gulag**

"Ledeneva's Bloodless Revolution is a tour de force. It is the definitive account of the rise of corporate power in Russia. Ledeneva's research is impeccable, her analysis is incisive, and her writing is lucid. This book is essential reading for anyone who wants to understand Russia today."— **David Remnick, Pulitzer Prize-winning author of The World Is Flat**

"Bloodless Revolution is a major contribution to the study of Russian politics and economics. Ledeneva's analysis is both original and persuasive, and she offers a new perspective on the rise of corporate power in Russia. This book is a must-read for anyone who wants to understand the challenges facing Russia today."— **Timothy Garton Ash, author of The Magic Lantern**

## **About the Author**
