

# Breezeway: New Poems by Keith Sullivan

In his new collection of poems, *Breezeway*, Keith Sullivan explores the themes of nature, loss, and memory. Sullivan's poems are lyrical and meditative, capturing the beauty and fragility of the natural world. He writes about the changing seasons, the cycles of life and death, and the power of memory to preserve the past.

Sullivan's poems are often set in the natural world, and he has a keen eye for detail. He captures the beauty of the natural world in all its seasons, from the vibrant colors of spring to the starkness of winter. He also writes about the animals that share our world, and he finds moments of grace and beauty in even the most ordinary creatures.

Sullivan's poems also explore the themes of loss and memory. He writes about the loss of loved ones, and he finds solace in the memories that he has of them. He also writes about the power of memory to preserve the past, and he finds that memories can be both a source of comfort and a source of pain.

*Breezeway* is a beautiful and moving collection of poems that explores the interconnectedness of nature, loss, and memory. Sullivan's poems are lyrical and meditative, and they capture the beauty and fragility of the natural world. He writes about the changing seasons, the cycles of life and death, and the power of memory to preserve the past. *Breezeway* is a book that will stay with you long after you finish reading it.
