A Cast of Unforgettable Characters

At the heart of *Mezzanines* lies a cast of unforgettable characters, each with their own unique motivations, desires, and secrets. We meet Nina, a brilliant and ambitious young woman navigating the treacherous waters of office politics. There's Jeff, a charming and enigmatic businessman

haunted by a troubled past. And then there's Eric, a disillusioned architect whose dreams of grandeur have been stifled by the mundane reality of his job.

As these characters' lives become intertwined, a complex and suspenseful plot unfolds. Rivalries ignite, alliances shift, and the delicate balance of power is constantly tested. Olzmann deftly weaves together their stories, creating a rich tapestry of human experience that explores the complexities of ambition, morality, and the search for meaning in the modern workplace.
