About the Book

Education Reform and Democracy in New Orleans: Lessons from the Katrina Recovery provides a comprehensive examination of the education reform efforts in New Orleans following Hurricane Katrina. Drawing on in-depth research and analysis, this book offers valuable insights for

educators, policymakers, and citizens alike, illuminating the complexities of urban education and its implications for democratic society.

The book covers a wide range of topics, including:

- The history of education reform in New Orleans
- The role of charter schools and school choice
- The importance of teacher quality and accountability
- The challenges of equity and social justice
- The lessons learned from the Katrina recovery

Education Reform and Democracy in New Orleans is a must-read for anyone interested in the future of education in the United States. It provides a nuanced and balanced perspective on the complex issues surrounding education reform, offering valuable insights for policymakers, educators, and citizens alike.

Reviews

"Education Reform and Democracy in New Orleans is a timely and important contribution to the literature on education reform. It offers a comprehensive and insightful analysis of the challenges and opportunities facing urban education in the United States." - **Diane Ravitch, Research Professor of Education at New York University**

"This book provides a valuable overview of the education reform efforts in New Orleans after Hurricane Katrina. It is a must-read for anyone interested in the future of education in the United States." - **John Merrow, Education Correspondent for PBS NewsHour**
