Kang the Conqueror is one of Marvel Comics' most iconic villains. He's a time-traveling warlord from the 31st century who has conquered countless worlds. In *Kang the Conqueror 2024*, writer Jackson Lanzing gives us a new take on the character, setting him in the near future and pitting him against a group of young activists who are fighting to save the world from environmental disaster.

The story begins in the year 2024. The world is in a state of chaos. Climate change has ravaged the planet, and the global economy is on the brink of collapse. In the midst of this turmoil, a group of young activists known as the Time Keepers emerge. They believe that the only way to save the world is to travel back in time and prevent the events that led to the current crisis.

The Time Keepers' mission brings them into conflict with Kang the Conqueror. Kang is a master manipulator who has spent centuries plotting to conquer the world. He sees the Time Keepers as a threat to his plans, and he will stop at nothing to destroy them.

*Kang the Conqueror 2024* is a gripping and thought-provoking graphic novel that explores the dangers of unchecked ambition and the importance of standing up for what you believe in. Lanzing's writing is sharp and

suspenseful, and he creates a cast of characters that are both relatable and inspiring.

If you're a fan of Marvel Comics, political thrillers, or just good storytelling, then you need to read Kang the Conqueror 2024. It's a book that will stay with you long after you finish it.
