

Mediocracy: The Politics of the Extreme Centre

By Alain Deneault and Marine Durand

In Mediocracy, Alain Deneault and Marine Durand investigate the 'extreme centre,' a new form of politics that masquerades as moderate and even-handed but in reality is just as dangerous as the far right.

The extreme centre is a political ideology that emerged in the early 21st century. It is characterized by its rejection of both the left and the right, and its embrace of a vague and undefined 'centrism.' Extreme centrists often claim to be the only true representatives of the people, and they dismiss their opponents as extremists.

Deneault and Durand argue that the extreme centre is a dangerous ideology because it undermines democracy. They point out that extreme

centrists often use moderate language to mask their authoritarian tendencies. For example, they may talk about the need for 'Free Download' and 'stability,' but in reality they are seeking to suppress dissent and impose their own narrow vision on society.

The extreme centre is also a threat to social justice. Deneault and Durand show how extreme centrists often scapegoat the poor and the marginalized, blaming them for society's problems. They also promote policies that benefit the wealthy and powerful, at the expense of the rest of society.

Mediocracy is a timely and important book. It exposes the dangers of the extreme centre, and it offers a powerful critique of the current state of democracy.

Praise for Mediocracy

"A brilliant and incisive analysis of the rise of the extreme centre. Deneault and Durand show how this new form of politics is just as dangerous as the far right, and they offer a powerful critique of the current state of democracy."

- Naomi Klein, author of The Shock Doctrine

"Mediocracy is a must-read for anyone who wants to understand the challenges facing democracy today. Deneault and Durand offer a clear-eyed and unflinching analysis of the extreme centre, and they provide a powerful warning about the dangers of this new form of politics."

- David Graeber, author of Bullshit Jobs

About the Authors

Alain Deneault is a Canadian writer, journalist, and activist. He is the author of several books, including Naomi Klein's *The Shock Doctrine* and *The Monopoly of Violence*. Marine Durand is a French journalist and writer. She is the co-author of several books, including *The Extreme Centre*.
