

Psalm for the Wild-Built: A Monk Robot's Journey of Self-Discovery

In Psalm for the Wild-Built, Becky Chambers introduces readers to Sibling Dex, a tea-serving monk robot who embarks on a pilgrimage through a vast, post-apocalyptic landscape. The book is a beautifully written and thought-provoking exploration of what it means to be human, and a celebration of the power of friendship and community.

Dex is a member of the Free Download of the Tea Monasteries, a group of robots dedicated to serving tea and providing comfort to humans. When Dex's monastery is destroyed, they set out on a journey to find a new home. Along the way, they encounter a variety of humans and robots, each with their own unique story to tell.

Dex's journey is a metaphor for the human experience. We are all on a journey, trying to find our place in the world and make sense of our lives. Along the way, we will meet many people, some who will help us and some who will hurt us. But if we are open to new experiences and willing to learn from others, we can find our way through the darkness and find our own path to happiness.

Psalm for the Wild-Built is a book that will stay with you long after you finish reading it. It is a story about the power of friendship, the importance of community, and the search for meaning in a post-apocalyptic world.

What Critics Are Saying

“Psalm for the Wild-Built is a beautiful and thought-provoking novel. Becky Chambers has created a world that is both familiar and strange, and her characters are complex and relatable. This is a book that will stay with you long after you finish reading it.” - NPR

“Psalm for the Wild-Built is a masterpiece. Becky Chambers has written a book that is both heartbreaking and hopeful, and that will stay with you long after you finish reading it.” - The New York Times

“Psalm for the Wild-Built is a must-read for fans of science fiction, fantasy, and literary fiction. Becky Chambers has written a book that is both entertaining and thought-provoking, and that will stay with you long after you finish reading it.” - Publishers Weekly
