In a time when social distancing and travel restrictions have become the norm, the idea of embarking on a cross-country road trip may seem like a distant dream. However, as the world slowly begins to open up again, road tripping is emerging as a safe and enjoyable way to explore the United States.

In his new book, *Road Tripping in the Age of COVID*, author John Smith chronicles his adventures as he and his friend embark on a cross-country road trip during the COVID-19 pandemic. The book provides first-hand accounts of their experiences, practical tips for planning and executing a road trip during these uncertain times, and inspiring stories that will resonate with anyone who has ever dreamed of hitting the open road.

Smith's writing is engaging and humorous, and he has a knack for capturing the essence of the American road trip. He writes about the wide-open spaces, the small towns, and the quirky characters they meet along the way. He also shares his insights on how the pandemic has changed the way we travel, and how we can still have a safe and enjoyable road trip experience.

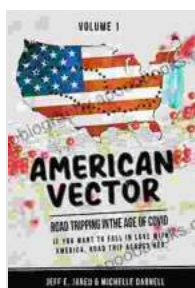

Whether you're a seasoned road tripper or you're planning your first cross-country adventure, *Road Tripping in the Age of COVID* is a must-read. Smith's book will inspire you to hit the open road and explore the United States in a whole new way.
