In a world that often celebrates and idealizes romantic relationships, it can be easy to feel like something is missing if you're single. But what if singlehood is not a lack, but an opportunity? What if it's a chance to focus on yourself, your goals, and your own happiness?

Unattached: Empowering Essays on Singlehood is a collection of essays that explores the different aspects of singlehood, from the challenges to the joys. The essays are written by a diverse group of authors, including single people of all ages, genders, and backgrounds.

In these essays, you'll read about the challenges of being single in a world that often seems to be designed for couples. You'll also read about the joys

of singlehood, such as the freedom to do what you want, when you want, and with whom you want.

Whether you're single by choice or by circumstance, *Unattached* is a book that will help you to embrace your singlehood and see it as a time of growth, self-discovery, and empowerment.

What readers are saying about *Unattached*:

““

““This book is a must-read for anyone who is single or has ever been single. It's full of insightful and empowering essays that will help you to see singlehood in a whole new light.” - Sarah J.”

““
