In the year 899, the Vikings are on the march. They have already conquered Northumbria, and now they are poised to strike at Wessex, the last remaining kingdom of the Saxons.

Uhtred of Bebbanburg is a Saxon warrior who has fought against the Vikings for years. He is a skilled swordsman and a fearless leader, but he is also a man who has lost everything. His family has been killed, his lands have been seized, and he has been exiled from his home.

But when the Vikings invade Wessex, Uhtred is determined to fight back. He gathers a band of warriors and sets out to defend his homeland.

Warriors of the Storm is a thrilling tale of courage, betrayal, and revenge. It is a story of one man's fight to reclaim his honor and his country.
