Chapter 6: The Final Confrontation

DEVELOPING THE NEMESIS

You may run a campaign for either Player Character set among the slaves and their allies of Willow Creek. You decide to create a nemesis that adds multiple layers of OBSCURE ADULTERY, BETRAYAL, AND SCHEMING. One Player Character is working to end the his addiction to Slaves. The second player decides that his character betrayed the first at some point in their past and is working to make amends. The third Player Character was accused of smuggling imperial blueprints to Rebel forces but a bounty on his head led him to maintain a low profile that was recognized.

After some thought, you decide that their nemesis is a corrupt Senator Society.

Using his power to increase his wealth and influence, he uses the time after the war to build a network of spies and informants in the underground economy and he established a network of black market operations that connect him to the first Player

Senator's Sinful Addiction

The Senator's many schemes and responsibilities don't leave him much time to dedicate to the group's downfall, but each time they manage to thwart his plans, he can make their lives miserable with his vast wealth and abilities.

These decisions make the Senator a powerful and imposing figure, but one that the Player Characters can face multiple times over, each leading to a different cinematic showdown.

In a heart-stopping climax, Higgins confronts his nemesis, a shadowy figure who has manipulated his life for their own sinister purposes. The truth is finally revealed, and the weight of the past comes crashing down upon them both.

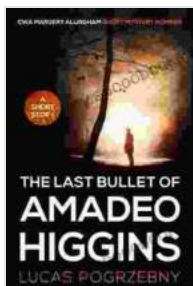

In a thrilling showdown that tests the limits of their endurance, Higgins and his adversary engage in a battle of wits and physical prowess. The fate of Willow Creek and the lives of countless others hang in the balance as the final bullet is fired.
