## LEADER OF THE TITANS

Before the times of the Olympian gods, the ruthless Titan Cronus was the god of time and the ruler of the universe.

His myths are unique and tell a story of a benevolent king who brought on a golden age, but one who was also evil and hate-driven, which ultimately caused his downfall.

Cronus' most popular deeds include castrating his father, Uranus, and taking over his throne.

Cronus then swallowed all his children to prevent a rebellion against him, but was thwarted by Zeus, who overthrew him and became the next ruler.
